

A vibrant, hand-drawn illustration in a whimsical, sketchy style. The central focus is a red-outlined house-like structure with a gabled roof. The roof is labeled 'featuring the Art works of' in a red banner. Inside the house, various artists' names are listed in boxes. The house is surrounded by a chaotic and playful scene: a large camera with a red lens is positioned on the left, as if taking a picture of the house. A person is riding a bicycle with a large, checkered umbrella on the right. A dog is running in the foreground, and a cat is sitting on the bottom right. A person is climbing a ladder on the left, and another person is sitting on the ground in the bottom left. The background is filled with various abstract shapes, lines, and small details, creating a sense of a busy, creative environment. The overall color palette is dominated by red, black, and white, with some blue and yellow accents.
